### DEPARTMENT AND LOCAL SCHOLARSHIPS

Additional scholarships are offered in each ALA department (state) and through many local ALA units and Legion posts. More than \$1 million is awarded every year.

The amount, deadlines, and qualifications vary, so contact the local American Legion Auxiliary unit in your area for more information. Department and local scholarships are also listed in the *Need a Lift?* guide provided by The American Legion.

## NEED A LIFT?

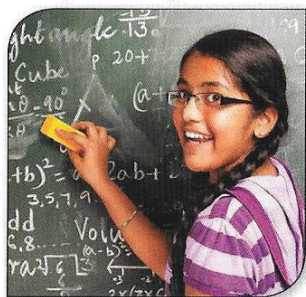

### COLLEGE FINANCIAL AID GUIDE

The American Legion compiled this guide to assist students and parents in acquiring financial aid for post high school. It contains information about federal and state veterans' benefits, scholarships for veterans and their dependents, scholarships for Legionnaires and their families, tips on applying to college, a comprehensive list of colleges and universities, and information on careers. Go to [www.needalift.org](http://www.needalift.org) to find more information.

### PARTNERS IN EDUCATION

The American Legion and the National Education Association partnered to establish American Education Week more than 90 years ago. Today, the American Legion Auxiliary is not only a strong supporter but also an official co-sponsor. Education is vital for a democracy to function. We support the efforts of children of veterans who desire an education beyond high school. Members of the American Legion Auxiliary are encouraged to support local schools. Everyone benefits when children get a good education. Learn more at [www.ALAforVeterans.org](http://www.ALAforVeterans.org) or [www.legion.org](http://www.legion.org).
